APRIL 2022

SPRING CLEAN UP

FINALLY!!! It looks like Spring. This is the time of year that Board Members will conduct the annual 'walk around'. This helps us prioritize projects for the upcoming spring and summer. Here are a few things you can do for Spring cleanup.

- Check outdoor plug in located in your yard
- Remove electrical cords from parking lot (they tend to get damaged/stolen)
- Turn your water valve back on
- Clean up all pet feces and garbage your yard
- Clear debris/items from the window well. Covering them or using them as storage is forbidden.
- Get furnace and dryer vents cleaned

Fines may apply if messy conditions are found during our walk around.

ADOPT-A-FLOWERBED

If you wish to adopt a flowerbed that is outside your yard nearest your unit, please email the office and we will mark you down. If the spot is available, you would then be responsible for the upkeep of the foliage you plant as well as keeping it free from weeds and bugs.

NEW PARKING AGREEMENTS for ADDITIONAL PARKING STALLS

Please be informed that ALL individuals renting additional parking stalls must sign an updated parking agreement before we will approve re-rents or new rentals. Updated parking agreement will be found on our website under 'documents'. Due to ongoing parking issues any breach of the parking agreement will result in your rental stall being forfeited and non-renewable.
