JUNE NEWS

ADDITIONAL PARKING RENEWALS

It is that time of year where you will need to return your old pass and get your new one. In order to renew you must:

- **Not owe any funds** to the corporation (fines, condo fees etc)
- You must return the old pass along with your cheque. If you have lost your old pass, please provide an additional non-refundable cheque for the $30.00 replacement fee stated when you signed your agreement.

We suggest that you provide a post dated cheque for July 1/21 with your pass and we will be more than happy to deliver your new pass to your mailbox.

CONCRETE

Concrete work will continue throughout the month of June. Expect noisy conditions on and off until our concrete projects are complete. Please note that the company that does this work is doing us a big favour by working hard to complete their work so we can have a more peaceful summer. They work hard and diligently and well within the City of Edmonton noise bylaws as well as our Bylaws. **Please note that we will NOT be granting access to ANY fire lanes during our concrete project.**

PARENTS – WE NEED YOUR HELP PLEASE

We are having alot of concrete work done around the complex over the next month. Please inform your children to **stay away** from these areas and **away from newly poured concrete**. We would hate to have someone hurt.

EAVES

Our gutters have been cleaned. Should you have any issues going forward, please email the office and we will ensure it gets looked into as soon as possible.

SIDING

There are a few siding issues throughout our complex that will take little time to repair or replace. Please give the workers space to work.

SLOW DOWN!!!!!!!

We have received a number of complaints regarding individuals speeding through or carelessly driving through our parking lots. This is a multi family complex with alot of young children and elderly that are not able to simply 'jump out of the way' because you are in a hurry to park or to leave. We are now contact with City of Edmonton bylaw enforcement and will be keeping a close eye on the offenders. For everyone's safety – **SLOW DOWN or park elsewhere outside our complex.**

TO ALL OF YOU GREAT DAD'S OUT THERE
