Welcome and Thank you both for stepping up to join us!!!

FALL HOUSEKEEPING NOTES

It is the time of year where we like to remind you of some housekeeping items that require your attention.

1. Clean your yards of debris and animal feces before the snow fly's
2. Shut off your outdoor tap first from the inside. This tap can be found in the ceiling very close to your furnace and hot water tank. Then you can go outside and drain what water is left from the pipes by turning on the outdoor tap letting it run until it stops. Turn off your tap.
3. Clean out your outdoor dryer vent

CHEQUES & MONEY ORDERS

Please make sure that when you are making a payment by cheque or money order that your unit # is on it. When we receive money orders especially, they do not come with names or Unit #'s that we can reference to ensure your payment is applied to your account. **Please note that we do not accept e-transfers or cash.**

HALLOWEEN

We ask that everyone please watch for our little Ghosts and Goblins on the 31st of October. It is a fun and exciting day for them so their focus will be on candy and not vehicles.
